Sarah saw Jane on the disco floor  
Talkin' to the guy who lives next door  
And you were in the corner with your fingers crossed  
Bite my tongue  
While I was workin' nights at the Tast-E-Freeze  
You were down on 7th street forgetting me  
And I was so in love with you I couldn't see  
Broken love

Without yourself, I'm more like you  
Without myself, you'd do what you do

You don't ever wanna love me back  
Your love's quicker than a heart attack  
You steal my love and then you give it right back  
Your love's quicker than a heart attack

When I come home to you everyday  
You never got anything to say  
It's breakin' my heart, but it's making your day  
Foolish games  
Well, if you wanna leave me, just say so  
I can't stop you when you go  
I'd play your fool, but it's better I know  
Runaway

Without me here, you'd fall apart  
Without you here, I'd be better off

You don't ever wanna love me back  
Your love's quicker than a heart attack  
You steal my love and then you give it right back  
Your love's quicker than a heart attack  
(Repeat)
