Baby, this might be  
The saddest day  
I have been through  
Sayin' goodbye to you

But if I break down  
Baby, don't shake down  
We both know we are  
The greatest Tragedy

Why, why  
I never wanted to be alone  
Cry, cry  
You said you'd never leave me alone  
Why, why  
I never wanted to be alone  
Why, Why  
I never wanted us to be  
Cry, cry  
I never wanted you to see  
Why, why  
The greatest tragedy

I remember how  
You and me stole town  
That night on College St.  
You made a fool of me  
Once I let you in  
You could do anything  
That's why it's hard to say  
Goodbye to everything

Chorus

I'm down on my knees  
You're makin' me weak  
But I don't want to live alone

Baby, this might be  
The saddest day  
I have been through

Sayin' Goodbye to you

I never want to be alone

Chorus

Never gonna be alone
