FIRST MATCHING OPTION
HOW MANY LIVES YOU HAVE
WHAT LEVEL YOU ARE

my name is Jeff
I come to this forum very often
I find this forum is the place to exchange
impressions, you know, to find friends on the net

in the evening I come home
the flat is cold, still
and then I turn on my computer and gradually I don't
feel so lonely
I feel less weak, released and free
then I smoke a little joint
just to put myself in the mood

AY SENSIMILIA
AY
SVE SI MI MILIJA

of course I have a little beer
my name is Jeff
Jeff, the grateful
thank you very much
I'm grateful

AY SENSIMILIA
AY
SVE SI MI MILIJA

and don't forget your HAMMER
