FIRST MATCHING OPTION  
HOW MANY LIVES YOU HAVE  
WHAT LEVEL YOU ARE

my name is Jeff  
I come to this forum very often  
I find this forum is the place to exchange  
impressions, you know, to find friends on the net

in the evening I come home  
the flat is cold, still  
and then I turn on my computer and gradually I  
donâ€™t  
feel so lonely  
I feel less weak, released and free  
then I smoke a little joint  
just to put myself in the mood

AY SENSIMILIA  
AY  
SVE SI MI MILIJA

of course I have a little beer  
my name is Jeff  
Jeff, the grateful  
thank you very much  
Iâ€™m grateful

AY SENSIMILIA  
AY  
SVE SI MI MILIJA

and donâ€™t forget your HAMMER
