I'm tearin' up all my paper dolls
I wonder which one's gonna try and drive me crazy this
time
oh this time
I'm tearin' up all my paper dolls
I tried each one but they all turned out the same
oh the same
I tried each one but they all turned out the same
I'm gonna tear 'em all up and then I'm gonna throw 'em
away
Today I will!

I'm tearin' up all my paper dolls
And I won't change for them, you know I won't
no I won't
They're all lined up standin' neat in a row
And I'm gonna knock 'em down when I go
when I go
Yeah I'm gonna knock 'em down here I go
'Cause I won't change for them, you know I won't
no I won't!

I'm tearin' up all my paper dolls
I wonder which one's gonna try and drive me crazy this
time
oh this time
I'm tearin' up all my paper dolls
I tried each one but they all turned out the same
oh the same
I tried each one but they all turned out the same
I'm gonna tear 'em all up and then I'm gonna throw 'em
away
Today I will!

tearin' up all my paper dolls!
tearin' up all my paper dolls!
tearin' up all my paper dolls!
tearin' up all my paper dolls!
