Finished writing poetry,  
And finished writing 'please love me',  
I'm sick of hearing about your life,  
And all its fucking tragedy.  
No more dropping hints to you  
I'll tell you what I'm gonna do,  
I'm taking all of your complaints,  
And feeding them straight back to you!

Suck it up and  
Suck it in  
Don't let it out  
Don't pull me in  
I'm not your friend  
I won't pretend  
That you mean shit to me

Don't come to me when you feel scared,  
From your example I don't care,  
About the one who broke your heart,  
Cos you're the bitch no-one could bear,  
Subtlety goes out the door,  
And I'm not playing anymore,  
The next time that you whine to me,  
You'll regret it forevermore.

Suck it up and  
Suck it in  
Don't let it out  
Don't pull me in  
I'm not your friend  
I won't pretend  
That you mean shit to...

Suck it up and

Suck it in  
Don't let it out  
Don't pull me in  
I'm not your friend  
I won't pretend  
That you mean shit to me
