[Chorus:]

Young wings can fly,
Young wings can fly,
Young wings can fly,
Higher than you know.

[End chorus]

Just like I found you,
Along the way.
We can find a little more happiness,
With each new day.
So don't be afraid,
To hold me close,
And never,
Never let me go.

[Repeat chorus]

At every crossroads,
Follow your heart.
Believe me,
I've been in love with you,
Right from the start.
A love such as ours,

Is something that,

We never, never will outgrow.

[Repeat chorus]

So don't be afraid,

To tell the world,

Just where,

Where you want to go.

[Repeat chorus]
