Hey, boy

Yes or no, boy

But later, baby

Your playing days are over

You'll play no more

Around this town

(Play no more

Around this town)

Cause I am gonna

Shoot you down

Hey, Casanova

Your playing days are over

Casonova

Your playing days are over

It's all over, Casonova

It's all over, Casonova

It's all over, Casonova

It's all over, Casonova

Hey, boy, they say

That you're contrary

Cause you think your love

Is extra ordinary

But I'm gonna show

You what I'm worth

(I'm gonna show you

What I'm worth)

I'm bringing good to Earth

Hey, Casanova

Your playing days are over

Casanova, I said

Your playing days are over

It's all over, Casanova

It's all over, Casanova

It's all over, Casanova

It's all over, Casanova

It's all over, Casanova

It's all over, Casanova

It's all over, Casanova

It's all over, Casanova...
