Hey, boy
I see you over there
Smiling at me

Why don't you come over
And ask me my name
I wanna meet you
Can't you see

Hey, baby
I know it won't be easy
But don't pass it by

Why don't you come over
And take me by my hand
Come on, baby
Give it a try

Hey, boy
Take a chance on love
Take a chance on love
Why don't you take
A chance on love
Baby, take a chance on love

Hey, boy
Why don't you come over

Hey, boy
There's no point in you
Being sad and lonely

Why don't you come over
And take me by my hand
It's meant for you, baby
And you only

Hey, baby
You've got to make a
Move in my direction

I wait for the days

And all the nights
A world of sweet delight

Hey, boy
Take a chance on love
Take a chance on love
Why don't you take
A chance on love
Baby, take a chance on love

Baby, won't do you no harm
Baby, take a chance
I said I ain't gonna
Do you no wrong...
