So many nights I lie alone wishin that you were on the
phone
so I could tell you things I never share with anyone
I never felt like this before wishin and hopin wanting
more
and now my wits are lost and you have conquered all
my thoughts
I got to thinkin that I'd never fall in love
cuz your the only one im dreamin of

Chours
with one look in your eyes
and one taste of your kiss
and suddenly I knew I've fallen for you
theres nothing I can say
nothing I can do
I've fallen for you
oh baby I've fallen for you

Its amazing the way you make me feel
wonder if eveything is real
my world is spinning round so fast that i can barly see
the way that you look
the way you walk
something about the way you talk
it sends a voice thats like an angel calling out for me
so now I'm thinkin that I finally fell in love
cuz your the only one I'm dreamin of

Chours

this feelings lasted longer than it ever has before
I've had a taste of you and now I'm only wanting more
you know together we'd be so amazing you'll see
just take a look in your heart here with me

Chours x2

(yeaaaaahhh)
(im fallen baby)
(with one look baby)
