[Music and Lyrics by Arkdae]

Un anathÃƒfÃ,Â“me est tombÃƒfÃ,Â©
Sur cette pauvre humanitÃƒfÃ,Â©
Le monde sombre dans le sommeil
La lune a cachÃƒfÃ,Â© le soleil

Et le ciel qui se couvre
Comme des bras qui s' ouvrent
RÃƒfÃ,Â©pandant l'obscuritÃƒfÃ,Â©
Sur notre monde damnÃƒfÃ,Â©
Le bruit sourd du tonnerre
S'affirme comme la colÃƒfÃ,Â“re
Des forces de la nuit
Revenu prendre la vie

Les hommes crient de douleur
Et implorent leur crÃƒfÃ,Â©ateur
Face ÃƒfÃ,Â l'avancÃƒfÃ,Â©e funÃƒfÃ,Â“bre
De l'emprise des tÃƒfÃ,Â©nÃƒfÃ,Â“bres

Le froid s'est emparÃƒfÃ,Â©
De nos enveloppes mutilÃƒfÃ,Â©es
Et nos faibles coeurs battant
Pleurent leur dernier chant

Sur les fleuves naviguent les corps
De nos frÃƒfÃ,Â“res maintenant morts
Et vont se jeter lentement
Dans les mers noires de sang

La terre pourrie rÃƒfÃ,Â©pand son odeur
De mort, de vie qui se meurt
De ses charniers fumants
Dans l'air froid et glaÃƒfÃ,Â§ant

Au lointain sonne le glas
Que plus personne n'entendra
Pour une fin annoncÃƒfÃ,Â©e
Un rÃƒfÃ,Â©ve annihilÃƒfÃ,Â©

Le vent s'est levÃƒfÃ,Â©

Sur ces plaines d'âfâfâ,Â©sertes et glacâfâfâ,Â©es
Oâfâfâ,Â¹ la mort s'est râfâfâ,Â©pandue
Oâfâfâ,Â¹ la vie n'existe plus

Et un nuage de poussiâfâfâ,Â°re
Recouvre toute la terre
Le chaos a imposâfâfâ,Â©
Son sceau sur l'humanitâfâfâ,Â©

Terre meurtrie, pleure ta destinâfâfâ,Â©e
Tout a cessâfâfâ,Â© d'exister
La sentence s'estachevâfâfâ,Â©e

[Translation]

[Anathema]

[Music and Lyrics by Arkdae]
An anathema has fallen
On this poor humanity
The dark world is falling asleep
The moon has hidden the sun

And the sky is becoming cloudy
Like arms which are opening
Spreading darkness
All over our damned world

The dull sound of thunder
Is like the anger
Of the power of the night
Which is coming back to take life

The human beings scream in pain
And beseech their creator
In front of the funeral walking
Of the grip of darkness

Coldness caught
Our mutilated bodies
And our weakly-beating hearts
Cry their last song

The shells of our dead brothers
Float on the rivers
And are slowly flowing
Into the black-blooded seas

The rotten earth exhales its stench
Of death, of life which is dying
Of its smoking hecatomb

In the cold and freezing air

The bell is tolling far away
Nobody will hear it anymore
For a reported end
An annihilated dream

Wind is springing up
On these deserted and freezed plains
Where death has spreaded
Where life doesn't exist anymore

And a cloud of dust
Covers the earth
Chaos has set
Its seal on humanity

Bruised earth, cry your destiny
Everything stopped to exist
The sentence has been fulfilled
