[Music by Arkdae, Lyrics by Sombre CÃfÃfÃ,Ã¿r]

"Je vois la mort qui arrive
MystÃfÃfÃ,Ã©rieuse mais attirante...
Je vois une souffrance ÃfÃfÃ,Ã©ternelle
Telle une incision dans ce corps si pÃfÃfÃ,Ã¿le...

Ma vie ÃfÃfÃ,Ã©tait faite
D'agonies insoutenables...
La Solitude ÃfÃfÃ,Ã©tait
Ma seule perspective...

La lassitude, goÃfÃfÃ,Ã»t amer de
dÃfÃfÃ,Ã©jÃfÃfÃ,Ã -vu,
Hantait mon esprit attristÃfÃfÃ,Ã©...
DÃfÃfÃ,Ã©laissÃfÃfÃ,Ã© de vive joie...
Perdu dans un monde parallÃfÃfÃ,Ã"le,
Je rÃfÃfÃ,Ãavais de m'engouffrer
Dans un abÃfÃfÃ,Ã®me obscur...

C'est l'ombre de la mort
Qui donne du relief ÃfÃfÃ,Ã la vie...
Or, c'est bel et bien la mort
Que je choisis ici...
Que je dÃfÃfÃ,Ã©couvre ici bas
Au-delÃfÃfÃ,Ã de mes transes...

C'est l'ombre de la mort
Qui donne du relief ÃfÃfÃ,Ã la vie...
Mais c'est pourtant bien la vie
Que je rejette amÃfÃfÃ,Ã"rement,
Que j'abhorre ici bas...
Au-delÃfÃfÃ,Ã de toute souffrance..."

Sans relief et sans vie,
Telle une ombre d'espoir,
Une larme seule
Au milieu des flammes...

"Alors que le Sinistre dÃfÃfÃ,Ã©cor agonisait
J'aimerais oublier que j'ai vÃfÃfÃ,Ã©cu..."

[Darkening of the Soul]

[Music by Arkdae, Lyrics by Sombre CÃfÃfÃ,Â¿r]

"I see death coming,
Mysterious but attracting...
I see an eternal pain,
Such as an incision in this body so pale...

My life was made of
Unbearable agonies...
Loneliness was
My only perspective...

Weariness, a bitter taste of dÃfÃfÃ,Â©jÃfÃfÃ,Â -vu,
Haunted my sad mind...
Deprived of any joy...
Lost in a parallel world,
I dreamt of diving deep
Into a dark abyss...
What provides life with relief
Is the shadow of death...
Now, it's death
That I choose here...
That I discover down here
Beyond my trances...

What provides life with relief
Is the shadow of death...
But yet it's life
That I bitterly regret,
That I abhor down here...
Beyond any pain... "

Without relief nor life,
Like a shadow of hope,
One single tear
Among the flames...

" While the sinister scenery was agonising
I wished I could forget that I used to live... "
