[Music and Lyrics by Hylgaryss]

La tristesse ÂfÂfÃ,Â©ternelle d'un ange sur la terre,  
De grandes fontaines de larmes coulant ÂfÂfÃ,Â  
l'infini,  
Les yeux noirs de cet ÂfÂfÃ,Â¤tre, fixant la pierre,  
TombÃfÂfÃ,Â©e d'une sculpture durant la nuit.

L'enfer a doucement touchÃfÂfÃ,Â© notre sol,  
Mais de la mort il est si las,  
Que mÃfÂfÃ,Â¤me le paradis le dÃfÂfÃ,Â©sole,  
Mourir pour cet empire de glace ?

De roses est recouvert le tombeau,  
Que foulera l'ange mÃfÂfÃ,Â©lancolique,  
Sa main encore posÃfÂfÃ,Â©e sur le berceau,  
De sa triste sculpture idyllique.

[Amidst the Graves]

[Music and Lyrics by Hylgaryss]

The eternal sadness of an angel on earth  
Huge fountains of tears flowing eternally  
The black eyes of this being staring at the piece of  
stone  
Fallen from a sculpture in the night

Hell has softly touched the ground  
But of Death he is so tired  
That even Paradise makes him sad  
Am I to die for that frozen empire ?

Roses cover the tomb  
That shall be trodden by the melancholic angel  
His hand still on the cradle  
Of its sad idyllic sculpture.
