[Music by Arkdae, Lyrics by Hylgaryss]

Une lueur scintille dans la nuit,
Et l'ange tombe du haut des cieux,
Les ailes déchirées par son dieu,
Une goutte de plus parmi les pluies.

Son corps a traversé les nuages,
Pour atterrir sur terre, tremblant,
D'un ange, il ne reste plus que le visage,
La pureté de son teint blanc.

L'homme pauvre sera attristé,
Mais du paradis est venue la haine,
Il ne reste plus, sur son visage blême,
Que malheurs et souffrances ignorés.

"Je voudrais dormir une dernière fois,
Oublier ma douleur et Marie,
Désormais je sens naître de la
mort l'ennui,
Mais des autres mondes j'ai perdu la foi".

[Translation]

[The Angel's Fall]

[Music by Arkdae, Lyrics by Hylgaryss]

A light twinkles in the night
And the angel falls from the heavens
His wings torn by his God
Another drop among the rains

His shell has crossed the clouds
To land on earth, shivering,
Of an angel only remains his face,
The purity of his white complexion

The poor man shall be sad
But from Heaven came hatred
On his pale face only remain

Ignored miseries and sufferings

" I wish I could sleep one last time,
To forget my pain and Marie,
I already feel boredom in Death,
And I have lost faith in other worlds.. "
