[Music by Hylgaryss, Lyrics by Sombre CÃfÃfÃ,Ã¸r]

Face ÃfÃfÃ,Ã ce grand Miroir  
Le corps sans vie  
Flottait calmement...

Sa silhouette tournoyante  
EclairÃfÃfÃ,Ã©e par quelques bougies  
DÃfÃfÃ,Ã©posÃfÃfÃ,Ã©es ici comme pour accueillir  
la Mort  
ReflÃfÃfÃ,Ã©tait la peur...

Seules la poussiÃfÃfÃ,Ã¸re et la cendre  
Semblaient ÃfÃfÃ,Ãatre vivantes...  
CaressÃfÃfÃ,Ã©es par un lÃfÃfÃ,Ã©ger vent  
Elles dansaient autour de la Mort...

Les Yeux du corps brillaient  
Des larmes coulaient lentement  
De cet abÃfÃfÃ,Ã©me de chair et de sang  
RefusÃfÃfÃ,Ã© par un esprit diffÃfÃfÃ,Ã©rent  
De celui des autres hommes...

La vie sur cette terre  
Etait un tourment d'agonies...  
L'esprit diffÃfÃfÃ,Ã©rent choisit alors  
Un autre monde,  
Que celui des hommes  
Une autre voie,  
Que celle de la foi...

Ce gestalt de peur  
Et de Chagrin  
Etait la preuve  
Que la vie venait  
Une nouvelle fois  
D'ÃfÃfÃ,Ãatre dÃfÃfÃ,Ã©fiÃfÃfÃ,Ã©e...

L'envers du miroir sera  
Peut-ÃfÃfÃ,Ãatre une dÃfÃfÃ,Ã©livrance  
Ou bien ne sera que Malveillance...

[Translation]

[The Reverse Side of the Mirror...]

[Music by Hylgaryss, Lyrics by Sombre CÃfÃfÃ,Ã¿r]

In front of this large mirror,  
The lifeless body  
Was calmly floating...

Its whirling silhouette,  
Enlightened by some candles  
Put there as to welcome death  
Was reflecting fear...

The eyes of the body were sparkling  
Tears were slowly dropping  
From this abyss of flesh and blood  
That had been refused by a mind  
Differing from that of other men...

Life on this earth  
Was a torment of agonies...  
The different mind then chose  
Another world  
Than that of men,  
Another path  
Than that of Faith...  
This gestalt of fear  
And sorrow  
Proved that life had been  
Once more defied...

The reverse side of the mirror  
May be a release,  
Or will just be malevolence...
