Les feux de l'Ã©ternitÃ©
Ont consumÃ© mon passÃ©
Fuyant ce dÃ©sagrÃ©ment
Tous ces gens, cette humanitÃ©...

Les feux de l'Ã©ternitÃ©
Ont brÃ»lÃ© tous mes espoirs
DÃ©routant mes espÃ©rances
Mon passÃ©, ces regards froids...

Ces flammes de toute beautÃ©
Ont brÃ»lÃ© tous mes espoirs
MalgrÃ© tout mon dÃ©sespoir
Me frayant un ultime passage...

Mon corps sans chair s'en allant
Dos Ã ma vie qui se fane
MalgrÃ© tout mon dÃ©sespoir
Me frayant un ultime passage...

Les feux de l'Ã©ternitÃ©
Ont brÃ»lÃ© tout mon passÃ©
Pleurant mon dÃ©labrement
Explorant, une possible issue...

Ces flammes de toute beautÃ©
Habillant mon corps sans chair
MalgrÃ© toute cette souffrance
J'avance vers cette dame mystÃ©rieuse...

Je n'ai maintenant plus de c?ur
Je ne suis qu'une Ã¢me en pleurs
Dos Ã ces flammes infernales
Tournant le dos Ã ma vie qui...

... Se fane telle la feuille malade
Je ne suis qu'une Ã¢me en pleurs
Se frayant une ultime voie
Face Ã une grande noire Ã©tendue....

Ces feux s'Éloignent de moi
J'avance vers d'autres mystères
Je n'ai que mon corps sans chair
Ma douleur, mon mal c'ÉrÉbral...

Dos É ces flammes infernales
Face É ce monde parallÉle
J'avance vers une nouvelle Ére
Sans d'Écors, emplie de dignes arcanes...

[The Throes of Cremation...]

[Music by Arkdae, Lyrics by Sombre CÉr]

Fires of eternity
Have burnt my past
Fleeing from this annoyance,
All these people, this humanity...

Fires of eternity
Have burnt all my hopes,
Sending my expectations astray,
My past, these cold eye-looks...

These beautiful flames
Have burnt all my hopes,
Despite my despair
Finding an ultimate way for myself...

My fleshless body going away
Backing away from my fading life,
Despite my despair
Finding an ultimate way for myself...

Fires of eternity
Have burnt all my past,
Crying for my collapsing,
Exploring to find a potential way out...

These beautiful flames
Dressing my fleshless body
Despite all this suffering
I go forth towards this mysterious lady...

Now have I no heart anymore
All I am is a weeping soul
Backing away from these infernal flames
Turning my back from my life that...

...Is tedding like an I'll flower
I am nothing but a weeping soul
Finding an ultimate way for itself
In face of a huge black extent...

These fires are getting away from me
I go towards new mysteries
I only have my fleshless body
My pain, my cerebral pain...

Backing away from these infernal flames
Facing this parallel world
I advance towards a new era
Deprived of decoration, full of dignified arcana...
