[Music by Arkdae and Hylgaryss, Lyrics by Hylgaryss]

Des milliers d'Ãmes tombent du ciel,
Et les vies et les morts se mÃlangent,
La terre s'est ouverte de part le cimetiÃre,
Ãbranlant les croix et les
sÃpultures.

Les deux armÃes se sont unis par le feu,
Au milieu des brumes et des vents,
Faisant ainsi vaciller le monde,
DÃtruisant la vie et gavant la mort.

Les corps tombent du ciel ,
De sang chaud encore ruisselant,
Comme pour nourrir la terre,
AffamÃe par tant de haine.

De ces deux magnifiques royaumes,
Personne ne viendra fÃter la victoire,
Les anges et les dÃmons sont morts,
Dans les entrailles de ce purgatoire.

[The Entrails of that Purgatory]

[Music by Arkdae and Hylgaryss, Lyrics by Hylgaryss]

Thousands of souls fall from the sky
Lives and deaths blending
The ground opened in the cemetery
Shaking crosses and graves

The two armies have been united by fire
In the mist and the winds
Making thus the world falter
Destroying Life and cramming Death

Corpses fall from Heaven
Full of warm blood still streaming out
As if to feed the land

Starved by so much hatred

Of those two magnificent realms
No one will celebrate the victory
Angels and demons are dead
In the entrails of that purgatory.
