[Music by Arkdae, Lyrics by Sombre CÃfÃfÃ,Ã¿r]

"Par la puretÃfÃfÃ,Ã© des flammes
Je semblais vivre...
Mais l'arrÃfÃfÃ,Ãt de mon c?ur prouvait
Que je n'ÃfÃfÃ,Ã©tais plus de ce monde...

Je ne pouvais crier
J'aurais pu tout regretter...
Mais je n'avais aucune envie,
De retrouver ma triste vie..."

O Flammes sans ÃfÃfÃ,Ã¸mes
Grandes dames sans rÃfÃfÃ,Ãves,
Ni cauchemars...
Sans triste vie, ni belle mort...
Accompagnez mon corps
Quelques instants encore...

"Une caresse me sÃfÃfÃ,Ã©duit
Je me sentis comme ivre...
EnvoÃfÃfÃ,ÃtÃfÃfÃ,Ã© par la sirÃfÃfÃ,Ãne
M'appelant vers l'au-delÃfÃfÃ,Ã ...

Cette ÃfÃfÃ,Ã©trange sensation
C'est la mort qui m'envoÃfÃfÃ,Ãte...

Fuyant ce corps perdu,
Je m'enfonÃfÃfÃ,Ãsais vers une ÃfÃfÃ,Ã©tendue...
Noire comme la nuit
Sans froid, ni chaleur...

J'avanÃfÃfÃ,Ãsais sans autre choix
Vers une silhouette
Venant de l'au-delÃfÃfÃ,Ã ...

[Far Away from the Mortals...]

[Music by Arkdae, Lyrics by Sombre CÃfÃfÃ,Ã¿r]

The body was still floating
Before a satisfied death...
" By the purity of flames
I seemed to live...
But the stop of heartbeats proved
That I was not of this earth anymore...

I could not scream,
I could have regretted everything...
But I didn't want
To live my sad life on at all... "

Oh flames without soul,
Great ladies without dreams,
Nor nightmares...
Without sad life, nor beautiful death...
Accompany my body
For some more time...

" A caress seduces me,
I felt myself like drunk...
Bewitched by the siren
That calls me from beyond...

This strange feeling
Is death spellbinding me...

Fleeing from this wasted body,
I went forth towards a land...
Black as night,
Deprived of coldness, or warmth...

I walked on without any other choice
Towards a silhouette
That came from beyond...
