[Music by Arkdae and Hylgaryss, Lyrics by Hylgaryss]

Libera me, de morte aeterna, in die illa tremenda,
Quando caeli movendi, sunt et terra, dum veneria,
Judicare saeculum per ignem, tremens factum sum
ego et timeo,
Dum discussio vererit, atque ventura ira,
Ad te, omnis caro veniet, Eleison, rex miseriae,
Eleison,
Dominus deus Sabaoth, Eleison, ad te, omnis caro
veniet, Eleison,
Libera me, de morte aeterna, in die illa tremenda,
Quando caeli movendi, sunt et terra, dum veneria.
