What you mean when you say you've seen the light?
A sky full of angels dressed in white?
You look so light
You feel like lead

What you mean when you say to me
You live in a dream
A fantasy?
I read the news they were coming for you

She's a weapon
She's a loaded gun
She don't know anything about me

Out of time and I know you've got to leave
You've been laughing in your sleep
Newest face in the oldest school

You don't need to say good-bye
I'll see you on the other side
Don't wait for me
I'll be all right

She's a weapon
She's a loaded gun
She don't know anything about me

You say there's an Eden
And its waiting there
Your body's cold
It's freezing
But it's warm in here

She's a weapon
A weapon
A weapon
A weapon
