I walk up to the police in Detroit city  
And i'm like  
Excuse me officer  
I'm trying to find some weed  
And he's like  
Shit so are we  
Why don't you roll with me  
We're gonna go around  
Pulling over some minorities

Get up in the police ride  
Crack a 40oz inside  
Nigga we be getting high  
Me and the cops rollin round  
goin' 60  
When we see a trick ass bitch  
We gonna tell a hoe to drop  
Them titties...

GO COPS  
Get the dogs  
Let's go fuck with old folks  
That's right, lets get high  
And pull over black guys  
Get buzzed  
Smoke some drugs  
Bitch i'm rollin with the fuzz now  
Po po po po  
Po po po po

Smoke rocks  
With the cops  
Let's go storm the barber shop  
It sure is nice being white  
Haha, just kidding black guys  
Waving guns  
At some nuns  
Bitch bend over we the fuzz hoe  
Po po po po  
Po po po po

So we pull up the police car right up to KFC

And we're like  
Gimmie a chicken sandwich  
And waffle fries for free  
But everyone ran out the store  
And we're like  
Hey come back here  
I'm just hungry  
I won't search you for no  
Crack rocks n.....  
Thats just awful

Get up in the police car  
Police unleash the dogs  
Dogs are chasing people down the road  
Bark bark bark bark  
Me and the cops  
Driving down uptown  
Tryna frind someone brown  
Pull over someone brown

Let's pull over someone brown

GO COPS  
Get the dogs  
Let's go fuck with old folks  
That's right, lets get high  
And pull over black guys  
Get buzzed  
Smoke some drugs  
Bitch i'm rollin with the fuzz now  
Po po po po  
Po po po po

Smoke rocks  
With the cops  
Let's go storm the barber shop  
It sure is nice being white  
Haha, just kidding black guys  
Waving guns  
At some nuns  
Bitch bend over we the fuzz hoe  
Po po po po  
Po po po po

They pull me over  
And they're like  
Yo, my bad i tought  
You were a black guy  
I said it's fine  
You see im white, but i look black  
When i'm dancing

They pull me over  
And they're like  
Yo, my bad i tought  
You were indian  
I said what kind  
The seven-eleven kind  
Or the kind of indian  
That goes "wah wah wah wah wah"

The police said  
I honestly can't tell the difference

GO COPS  
Get the dogs  
Let's go fuck with old folks  
That's right, lets get high  
And pull over black guys  
Get buzzed  
Smoke some drugs  
Bitch i'm rollin with the fuzz now  
Po po po po

Waving guns

Bitch bend over we the fuzz hoe
