Every1 at my school called me a fag,
At home I was lied to blowing my dad,
So now I would like to, kill all of the jews,
I just saw my gas bill & I want to die,
But b4 I go, I will tell u good bye,
I will be back someday in the form of Tom Cruise,
In another life, I will take the world, I will make it
Wonderbar for all the white ppl, if your not a white,
I will make u slaves, turn u to soap & wash my
schwanzstucker on ur face, I
Know it sounds gay,
I could have lived my life in a better way, I could have
been nicer to
Gypsies & gays, ppl in the wheelchairs I never should
have raped, I know
This now, why did I put numbers tattoos on jews,
however could I know the
3rd reich would lose, now that numbers for how much
the jews will sue, but
In another life, I will gas them all, I will gas the jews that
sell the
Jewelry at the mall, in another life, I will make it great,
until then
Melvin gibsonstein will show the world the way, he'll
show u all the way, I
Want, to take over the world, kill all the gays, it would
be very great, if
I could only change 1 thing in life it'd be, I'd go, and
put a gas chamber
In italy, I could have killed grandparents of Pauly D, but
now, but now
It's much too late, but in another life, I will take the
world, I will make
It wonderbar 4 all the white ppl, if ur not a white, I will
make u slaves,
Turn u to soap & wash my schwanzastucker on ur face,
I know it sounds gay,
I want, to take over the world, kill all gays, in another
life I will make
It great, until then melvin gibsonstein will show the
world the way, justin

Beiberg is gay.
