In China we cannot be dykes or Taiwanese  
Somebody gave me HIV, wanna see  
I might be Japanese  
I don't know my family  
I'm Chinee  
Get this price tag off of me  
In China we now have T.V. finally  
I can see show called Simpson family  
Why they yellow? That make fun of Chinee  
Sing the Song Rucka Rucka Ali  
I'm a Drop Atom Bombs on you white devils  
China take over America in 2012  
China is Very big  
Whatchu gonna do  
We got 2 billion chinamen and not 1 Jew  
China make you kill all your female kids  
Cause We have too many chicks and China has not  
enough Tampon  
China be so very sad  
Because we don't have any friends  
In China we crap in our beds  
Because we can't buy a mattress  
We miss 2005 and 6 (I was high)  
I was high on cocaine  
China has very small wang  
Very small  
OK  
China drink on Kool-Aid  
Economy of dirty underage sex slaves  
We get murdered if we don't like china president  
That's a restaurant in Detriot  
They shoot everyone  
In China we probably gonna bomb Germany  
Come on Please  
Sombody How come we Cannot be rich  
We ain't got shit  
Now we live in a dirty ditch  
With some animal  
Pass the fuckin' butter please  
I got soy sauce now I need some dog meat  
I can eat what I want  
Don't make fun of me

I could me Rucka Ruck  
I heard he lives in the street  
Why can't we go to America  
I'll get me a bus pass  
And we could roll  
We'll open up a Wanton Drycleaning store  
I could also coach wheelchair basketball  
How come we Chineese are like 5 feet tall  
I could sell cereal while stealing stereos  
Bury your Terrier He's an AIDS carrier  
We could make a show with Morgan Freeman  
We call it Everybody Get Shot by Raymond  
Somebody messed up the song  
Now it just got racist  
Black people been through enough  
40 cases  
Why can't we just send all white people to Africa  
Cause Chineese people are taking over America  
Let's go I'm the boss  
I can tell you where to go  
Get the bros on the bus and send them down the road  
We can go vegan but we gotta eat dog  
We'll beat him up cause adrenaline taste good  
I can read stuff like books  
Cause I made something of my life  
I tried to get by on looks  
But it looks like I'm closing my eyes  
All you punk ass bitch ass ninjas  
Suck my dick cause you ain't shit cause  
I come here from Indo-China  
China has sideways vagina  
China be the best ag Baseball (Yo)  
Filipinos have little butt hole  
I'm China's #1 guy because  
I have \$1.55 nigga  
I must listen to emperor  
Because he has bad temper  
I'm not some kind of gambeler  
Australia has Kangaroo  
I'm Chineese  
Why can't we all just be  
Friends with me  
I give you the good rice  
In China we eat Chineese food (I like that)  
I'm Chineese  
Why not me  
Play Gandhi in movie  
I could break up a hood fight  
And tell the Crips and Bloods to be cool  
I'm Chineese  
I know which ninja killed Kennedy

I'm one of the good guys  
I teach the Secret Service Ninja moves  
I'm Chinee  
I'm not even in Ninja Kid 3  
They hired some girl that time  
I mean Karate Kid 3  
No 4  
I'm Chinee  
It's Gay  
How my videos get deleted  
But the Rucka's Nucka load them videos and tell  
everybody at school  
I'm Chinee  
So call me to MC your party  
Weddings or Bar mitzvahs I even do funerals Let's go  
Everybody touch somebody  
Don't get scared if pressing charges  
Put some saki in your coffee  
Tell your mother to get off me  
Ninja Turtle was good movie  
I remember when I saw it  
And the second was better  
And the third one was whatever  
And I like the Power Rangers  
Billy Jason and the Black  
They had to save the world from the lady who looked  
like Kim Jong I'll  
Where were the Power Rangers on the day of 9/11  
I thought they could have stopped it  
But I guess they were busy fighting Putties  
I'm Chinee(12x)  
Now buy me on iTunes Bitch!
