YouTube took my number one video down  
Damn, how  
Tell me why you suspend my account  
Damn, why

I come on a boat from red China  
Cause they won't  
Give me free speech talk  
I come to America and get some turntables  
And play my song  
Outside drycleaning stores

And everyone liking me  
And they dance, so I say OK  
I'll make a video for my song  
Ching Chang Chong  
And it was the number one in the USA

But suddenly one day the video wasn't there  
And YouTube told me that they decide to  
Take my hate song down  
Cause people complaining  
They think I hate asians  
What kinda pussy can't tell I'm a clown

Clown, damn  
YouTube take my number one song down  
Damn, how  
I think they still mad about Vietnam

It's not hate speech  
Come on it's listed under comedy  
Why you take my song away  
Don't you know laughter is the best medicine  
Except if you have aids  
Why you take Ching Chang Chong from me  
It's not nice to take it away  
You take Ching Chang Chong away  
If you spent some time with me  
You would see that I'm OK

So let me tell you about me

My dog I Alaskan  
My friend is a black man  
My wife is a dyke and  
I love everybody in the whole world  
If you think I'm racist  
Well you just can't face it  
That black people just like me  
More than you

Yeah  
How about that  
You just mad cause I have  
More black friends  
Than you

(Little wayne is in the house  
Everybody come on)

Damn why they gotta be  
Mad about some comedy  
I'm thinking YouTube owes  
Rucka a apology  
Nailed him to a cross  
With a form of cyber sodomy  
We call that Severe Vaginitus  
In psychology

Rucka's got it rough  
He got his bullshit taken off  
All you meshuganas at Youtube  
Got a chopstick in your butt  
What the hell's your fucking problem  
Your just jockin Rucka's cock  
Cause he got Weezy F Baby  
On this song for free

You all dunno me, Weezy's my homie  
So you all can blow me  
Cause I don't care if you take my song down  
You think I'm from China  
But check my vagina  
Cause I lied I'm really from Japan

Yeah, what's up  
I don't care if you suspend my account  
Fuck you
