[Chorus]

Ru- ru- ru- ru- Russia is gay  
Russia's gay  
In it everyone has aids  
& they all got it from butt sex  
Their president finger bangs them little kids

[Verse 1]

I, wait so long in the snow  
For one little piece of bread (of bread)  
& I have been drunk since I was born  
& I keep Mongolians in a cage  
I'm poor  
I sold my child for a sip of vodka  
My wife is named Svetlana Borshtynskovskiska  
At my space station, we tried to send a cardboardbox  
up into the sky

[Hook]

When the wall came down  
& them Russians rushed out,  
It was a day when freedom won  
If mister Putin wants to invade Georgia  
We'll be waitin' here with guns (I live in atlanta)

[Chorus]

Russia's gay  
They suck a lot of long dicks on the internet  
Russia's gay  
They like to touch on young boys a little bit  
Russia's gay  
In it everyone has aids  
& they all got it from buttsecks  
Ru- ru- ru- ru- Russia is gay

[Verse 2]

I, eat sour dough, it no good  
I have never seen a real black man (black man)  
& I, have ten kids, I can't feed  
I hope we fight a nuclear war (da)  
I hope I eat a piece of fish for dinner  
We have a wall to keep my people in here

The KGB, arresting me, cause they catch me  
Touching myself

[Hook]

Tell the troops right now  
Time to bomb Moscow  
Fun time & games are done  
We should kill them Ruskis  
& take their land  
Cause it's far from Mexico  
This one's for 9/11

[Chorus]

Russia's gay  
It looks like candyland  
& the palace is, plastic  
They wear those dumb fucked up hats  
With fur on it  
Russia's gay  
In it everyone has aids  
& they all got it  
From butt sex  
Ru- ru- ru- ru- Russia is gay

[Verse 3]

Hey let me tell ya right now  
Them russians ain't gonna take Vietnam  
Not without me in charge  
I got a mail order bride  
Came here in a box from Petersburg  
She left her fuckin' kid to starve  
Hey mister Obama  
Get your club & go  
Have a word with Medvedev  
Get him good in the chest  
& tell mister Ching Chang Chong  
If he wants to get involved  
All your missiles  
Won't add inches to your penis

[Hook]

When the wall came down  
& them Russians rushed out  
It was a day when freedom won  
But then when David Hasselhoff  
Started singin' on cars  
They were puttin' the wall back up  
Cause baby Russia's fuckin'gay

[Chorus]

Russia's gay

In it everyone has aids  
& they all got it from butt sex  
Ru- ru- ru- ru- Russia is gay  
Russia's gay  
In it everyone has aids  
& they all got it from butt sex  
Ru- ru- ru- ru- Russia is gay
