It's the 1980's
I wake up in the morning wearing spandex
Is John Lennon living or his ass get dish
I got a gameboy in my fanny pack
It goes well with my members only jacket
Captain Planet is a hero
That show brought my IQ down to zero
Cast of different shows gettin death threats
Couple less, open your mouth for the pez dispenser
Donatelo and his ninjas getting down karate
Three ninjas whooping ass with Mr. Eogy
I guess Bob Marley is dead
Still got a white with dreads
And we'll probably see Oj got to jail
before we see a black president
whats he gonna do with a Rubix Cube
And someone tell me what that hell is a power ranger
Can't a brother get some Cosby's
Stephany got it off with uncle Jessy
I wanna go back to watch a movie
With the Rat-at-at-at pack.
That's just the 80's(x2)
We aint never heard of aids
That's just the 80's
We aint never heard of crack
That's just the 80's
We aint never heard of aids
That's just the 80's
We aint never heard of crack
That's just the 80's
