[Verse 1]

Excuse Me

Please get out my way

I'm driving my self a little drunk

Buzzed driving is drunk driving

So might as well get really crunk

I had a 5th of popov and

I topped of with little Jag

I had a Margarita

And licked all the salt off which is gay

I had me a couple pints of Captain Mo

Ain't hardly feelin' nothin' yet

Had little drink of Jimmy Beam

I think I might be seein' things

Who the Hell is under my corvette?

And as I drive

I crack open

A beer and chug it down

I can't see the road

[Chorus]

Tonight

We Drive Drunk

Rollin' wasted in the pontiac

With some Contiac

And some Rum

Tonight

We Drive Drunk

So I just might kill your father

And your mother and your son

[Verse 2]

Get rolled by the cops

They ask if you got

A beer to spare?

Yea right here

Got half a cas of Rollin Rock

So let's do a toast

We did 2 of those

He said you look drunk

So head on straight home

(Repeat Chorus)

[Bridge]

Driving Drunker than a Lohan
Sipping Rum and Coke and
Pissing in a Coke Can
Speedometer's Broken
(Driving Drunk Tonight)
Sipping on Bacardi
(Driving Drunk Tonight)
Winning like I'm Charley
(Driving Drunk Tonight)
Listening to Marley
(Driving Drunk Tonight)
Watching Some iCarly

Coulda Taked a Bus
And Gone Safely Off
Coulda Raped a Sl*t
Or stayed at home
And taken Drugs

But I'm Drivin' Drunk
With Hoes in The Trunk
If I see Travon
I'm Drivin him home

(Repeat Chorus)

And as I drive
I crack open
A beer and chug it down
I can't see the road
Tonight
