Tonight there's gonna be a jailbreak
Somewhere in this town
See me and the boys, we don't like it
So we've nothing going down

Hiding low, looking right to left
If you see us coming, I think it's best
To move away, do you hear what I say
From under my breath?

Tonight there's gonna be a jailbreak
Somewhere in this town
Tonight there's gonna be a jailbreak
So don't you be around, don't you be around

Tonight there's gonna be trouble
Some of us won't survive
See the boys and me, we mean business
Busting out dead or alive

I can hear the hound dog on my trail
All hell breaks loose, alarm and sirens wail
Like the game if you lose
Go to jail

Tonight there's gonna be a jailbreak
Somewhere in this town
Tonight there's gonna be a jailbreak
So don't you be around

Tonight there's gonna be trouble
Gonna find myself in
Tonight there's gonna be trouble
So woman, you stay with a friend

You know it's safer
Breakout

Tonight there's gonna be a breakout
Into the city zones
Don't you dare to try and stop us
No one could for long

Searchlight on my trail
Tonight's the night all systems fail
Hey, you good looking female
Come here

Tonight there's gonna be a jailbreak
Somewhere in this town
Tonight there's gonna be a jailbreak
So don't be around

Tonight there's gonna be trouble
Gonna find myself in
Tonight there's gonna be trouble
So woman, you stay with a friend
