Crazy crazy chain we're strung up again
Umbilical cord around the neck and pain is sane
Crazy crazy chain gagged & bound inane
Crazy crazy chain label underachieve & plain

Black statue looms in doomsday rooms rap
Fetish worship motivation life-span trap

Crazy crazy chain we're strung up again
Umbilical cord around the neck and pain is sane
Crazy crazy chain gagged & bound inane
Crazy crazy chain label underachieve & plain

Black statue looms in doomsday rooms rap
Fetish worship motivation life-span trap

Crazy crazy crazy crazy chain!
