

## Rudra "Obeisance"

Visit "[Obeisance](#)" on [MotoLyrics.com](http://MotoLyrics.com)

I prostrate myself before the Parabrahman,  
the Supreme One, and to all its manifestations  
I bow with reverence to the Shrutis and to the  
Maharishis  
I bow to the Satgurus and to the avatars  
I bow to the gurus who have captured my soul  
I bow to the many in the One

Om Bhur Bhuvah Suvah  
Tat Savitur Varenyam  
Bhargo Devasya Dhimahi  
Dhiyo Yonah Pracodayat

Destroy the Ahamkara in me  
Remove the avidya in me  
Stimulate my buddhi and let lofty thoughts arise  
Dissolve my individuality in the sea of Brahavidya

Atmajnana is what I seek  
Unveil my pristine self  
Bestow your grace upon me  
And guide me to your royal chamber

Let me see you in both darkness and light  
Let the sword of bliss pierce through this Kosha  
Let this flesh turn to dust and  
let my mind still reverberate your nama

I prostrate myself before the Parabrahman,  
the Supreme One, and to all its manifestations  
I bow with reverence to the Shrutis and to the  
Maharishis  
I bow to the Satgurus and to the avatars  
I bow to the gurus who have captured my soul  
I bow to the many in the One
