Visit "[Sin](#)" on MotoLyrics.com

Mind your conditioned mind, which you use to judge one.

Conditioned by your own ideals, you denounce the ones who differ

A sinner or a saint, to be judged not by you but by a perfect one

You commit the great sin by calling one a sinner

Heartless and mindless, you judge, disparage and ridicule

The duplicity of your unbounded love is now revealed

A mindless heart and a heartless mind are of no use

Let me ask you now, who is the sinner?

[Solo: Burhan]

Are you talking about God's plan or is it your plan for God

Like you know it all, you say what's right and what's wrong

Your arrogance and ignorance prove that you are an empty shell

I can hear the echoes of the mutilated truths from within your mind

Quick to judge, slow to think, absence of the intellect

You denigrate, patronise, desecrate and chastise

Your own ideals should be your judge and you the judged

Have you heard this line before: "Judge not, that ye be not judged"

Heartless and mindless! you judge, disparage and ridicule

The duplicity of your unbounded love is now revealed

A mindless heart and a heartless mind are of no use

Let me ask you now, who is to repent
