(by Journey)

Lying beside you, here in the dark
Feeling your heart beat with mind
Softly you whisper, youre so sincere
How could our live be so blind
We sailed on together
We drifted apart
And here you are by my side

So now I come to you, with open arms
Nothing to hide, believe what I say
So here I am with open arms
Hoping youll see what your love means to me
Open arms

Living without you, living alone
This empty house seems so cold
Wanting to hold you, wanting you near
How much I wanted you home

But now that youve come back
Turned night into day
I need you to stay.
