And I am waiting
For death to come yet he's not there
He's killing dreams out in the sea

I feel like - I can't breathe
Life's - crushing down on me
Heavy salt will wash away my sin

No one left - to blame it on
No more hope - all is said and done
Life seems sealed - as the night breaks in

And tears mount the horizon
And blackened is the night
The world has drowned in cries

I searched for many years
He is all I cherished in my life
I roamed behind the veil of night

I feel like - I can't breathe
Life's - crushing down on me
Heavy salt will wash away my sin

No one left - to blame it on

No more hope - all is said and done
Life seems sealed - as the night breaks in

And tears mount the horizon
And blackened is the night
The world has drowned in cries

The essence of life - it should never be lost
Thrown to the beast - to be mightily tossed

The essence of life - it should never be lost
Thrown to the beast - to be mightily tossed

I give myself away - on this blackened day
I give myself away to you!

And tears mount the horizon
And blackened is the night
The world has drowned in cries

The world is drowning...
The world has drowned in cries...
