this is the story of a king called Sardon, who ruled over a land called Usketnan long time before our history. at the beginning of our story you can find yourself in the inner sanctum of the main temple, where a mysterious woman appears and tells the king about a possibility to leave their old state overshadowed by hunger, wars and chaos. outside the people have ensembled and wait for the decision of their leader.

[Chapter One]  
[The Ritual]

nshigtur, the strange woman helps the king to get over his premonitions after his speech. she encourages him and promises him a better future.

[KING:]  
what can I do, my force is gone  
hunger, plague, war and chaos rule!  
who is that woman, what is she about  
listen to my cries, release me from pain!

[NSHIGTUR:]  
come with me into eternal life

[KING:]  
can I believe her, can I trust  
fear rules my mind as she controls my senses  
what will the future bring?  
can she release my pain?  
is there a reason within?  
this woman drives me insane

[NSHIGTUR:] I can be your promised land  
[KING:] where will the journey end, what will be in its end?

[NSHIGTUR:] feel my force inside your head!  
[KING:] her force ties me - haunts me - thrills me  
[NSHIGTUR:] people will survive again  
[KING:] can I believe your promises to be true?  
[NSHIGTUR:] come with me to promised land  
[KING:] death or freedom, what waits for me?  
[NSHIGTUR:] over!

with a strange noise, nshigtur starts the ritual  
and at its end the imaginative journey through space  
starts

[NSHIGTUR:]

fach es ra troke sofsledan  
bas er se tschory fot ern  
esserint foi ta sofsledan
