(Verse)

The more I'm with you,
The more I can see,
My love is yours alone,
You came and captured
A heart that was free.
Now there's nothing I can call my own.

(Refrain)

Everything I have is yours,
You're part of me.
Everything I have is yours,
My destiny.
I would gladly give the sun to you.
If the sun were only mine.
I would gladly give the earth to you
And the stars that shine.
Everything that I possess
I offer you.
That my dream of happiness
Come true.
I'd be happy just to spend my life
Waiting at your beck and call,
Everything I have is yours.
My life...My all...
Let my dream of happiness come true.
Happy, happy just to spend my life
Waiting at your beck and call,
Everything I have is yours.
Everything I have is yours.
Everything I have is yours.
My life...My all.
