Oh, fill the steins to dear old Maine  
Shout till the rafters ring  
Stand and drink a toast once again  
Let every loyal Maine man sing  
Then drink to all the happy hours  
Drink to the careless days  
Drink to Maine, our alma mater  
The college of our hearts always

To the trees, to the sky, to the Spring and its glorious  
happiness  
To the youth, to the fire, to the light that is moving and  
calling us  
To the gods, to the fate, to the rulers of men and their  
destinies  
To the lips, to the eyes, to the girls who will love us  
someday

Oh, fill the steins to dear old Maine  
Shout till the rafters ring  
Stand and drink a toast once again  
Let every loyal Maine man sing  
Then drink to all the happy hours  
Drink to the careless days  
Drink to Maine, our alma mater  
The college of our hearts always

To the trees, to the sky, to the Spring and its glorious  
happiness  
To the youth, to the fire, to the light that is moving and  
calling us  
To the gods, to the fate, to the rulers of men and their  
destinies  
To the lips, to the eyes, to the girls who will love us  
someday

Oh, fill the steins to dear old Maine  
Shout till the rafters ring  
Stand and drink a toast once again  
Let every loyal Maine man sing  
Then drink to all the happy hours

Drink to the careless days  
Drink to Maine, our alma mater  
The college of our hearts always
