Words are flowing out like endless rain into a paper  
cup  
They slither while they pass, they slip away across the  
universe  
Pools of sorrow waves of joy are drifting through my  
open mind  
Possessing and caressing me

Jai Guru Deva, Om  
Nothing's gonna change my world  
Nothing's gonna change my world  
Nothing's gonna change my world  
Nothing's gonna change my world

Images of broken light which dance before me like a  
million eyes  
And call me on and on across the universe  
Thoughts meander like a restless wind inside a letter  
box  
They stumble blindly as they make their way across the  
universe

Jai Guru Deva, Om  
Nothing's gonna change my world  
Nothing's gonna change my world  
Nothing's gonna change my world  
Nothing's gonna change my world

Sounds of laughter shades of earth are ringing  
Through my open mind, inciting and inviting me  
Limitless undying love which shines around me like a  
million suns  
It calls me on and on across the universe

Jai Guru Deva, Om  
Nothing's gonna change my world  
Nothing's gonna change my world  
Nothing's gonna change my world  
Nothing's gonna change my world

Nothing's gonna change my world  
Nothing's gonna change my world

Nothing's gonna change my world  
Nothing's gonna change my world
