Is this heartbreak or is this heartburn?  
Have I been played or do I need a rolaid?  
Gotta learn the difference 'tween I love ya  
The difference 'tween I love ya and the symptoms of  
ebola

Is this heartbreak or is this heartburn?  
Can I be spared from being so dramatic?  
Gotta learn the difference 'tween I love ya  
The difference 'tween I love ya and that derailed  
rollercoaster

Gonna rain down on my sunny Sunday shoes  
Guess best I get some galoshes

Let me tell you that this song's useful  
Yes this song's useful when you're really drunk  
And you gotta learn the difference 'tween I love ya  
The difference 'tween I love ya and whatever.
