Rufus Wainwright:

I eat dinner at the kitchen table  
By the light that switches on  
I eat leftovers with mashed potatoes  
No more candle light  
No more romance  
No more small talk  
When the hungers gone

I eat dinner at the kitchen table  
An I wash it down with pie  
I eat leftovers with mashed potatoes  
No more candle light  
No more romance  
No more small talk  
When the hungers gone

Never thought, that I'd end up this way  
I who love the sports  
Never thought my hair would turn into grey  
It used to be so dark, so dark

Dido:

No more candle light  
No more romance  
No more small talk  
When the hungers gone

No more candle light  
No more romance  
No more small talk  
When the hungers gone  
When the hungers gone

(musical interlude)

Both:

Never thought, that I'd end up like this

I who love the night  
Never thought I'd be without your kiss  
No one to turn off the light  
Turn off the light

I eat dinner at the kitchen table  
By the light of the T.V screen  
I eat leftovers with mashed potatoes  
No more candle light  
No more romance  
No more small talk  
When the plate is clean

When the hungers gone

When the hungers gone
