From "Tommy Tricker And The Stamp Traveller"  
Soundtrack

I'm a-runnin'  
I'm a-runnin' from you  
'Cause you're a-chasin'  
You're a-chasin' me to  
The end of the earth  
Or the city of kingdom come

I can see ya  
I can see you way back  
You can see me  
You're gonna stab me in the back  
But not unless  
I can outrun you

Well, will you ever let out?  
Will you ever stumble and fall?  
Because I'm never gonna let you get me  
At all

I can see you  
You're a bullet in flight  
I'm a-runnin'  
Through a star in the night  
That will never shine  
Upon this darkened earth

Oh, will you ever let out?  
Will you ever stumble and fall?  
Because I'm never gonna let you get me  
At all

Over mountain  
Over valley and sea  
I'm a-runnin'  
So that you can't catch me  
And if the gods are there  
They will pull me through

Because I'm never gonna let you get me

At all  
Because I'm never gonna let you get me  
At all

Runnin' away from you  
Runnin' away from you
