What a day this has been, what a fair mood I'm in
Why it's almost like being in love

There's a smile on my face for the whole human race
Why it's almost like being in love

All the music of life seems to be
Like a bell that is ringing for me

And from the way that I feel when that bell starts to
peel
I could tell I was falling, I would swear I was falling
It's almost like being in love, almost like being in love
It's almost, it's almost...

But, this can't be love, because I feel so well
No sobs, no sorrows, no sighs
This can't be love, I get no dizzy spells

My head is not in the sky

My heart does not stand still, hear it beat?
This is too sweet to be love

This can't be love because I feel so well
And yet I love to love, glad I'm alive
Love to live, think I'll survive

There's a smile on my face for the whole human race
All the music of life seems to be like a bell that is
ringing for me

And by the way that I feel when that bell starts to peel
I could tell I was falling, I would swear I was falling
It's almost like being in love
Almost like being in love
