Silver wings shining in the sunlight  
Roaring engines headed somewhere in flight  
They're taking you away and leaving me lonely  
Silver wings slowly fading from sight

Don't leave me, I cried  
Don't take that airplane ride  
Then you locked me out of your life  
Left me standing here behind

Silver wings shining in the sunlight  
Roaring engines headed somewhere in flight  
They're taking you away and leaving me lonely  
Silver wings slowly fading from sight

Don't leave me, I cried  
Don't take that airplane ride  
Then you locked me out of your life  
Left me standing here behind

Silver wings shining in the sunlight  
Roaring engines headed somewhere in flight  
They're taking you away and leaving me lonely  
Silver wings slowly fading from sight  
Silver wings slowly fading from sight
