You made me love you
I didn't want to do it, I didn't want to do it
You made me love you
And all the time you knew it, I guess you always knew it
You made me happy sometimes, you made me glad
But most of the time, dear, you made me feel so bad

You made me sigh, 'cause
I didn't want to tell you, I didn't want to tell you
I need some love it's true, yes I do, 'deed I do, you
know I do
I can't tell you what I'm feeling
The very mention of your name sends my heart reeling
You know you made me love you

The bells are ringing for me and my gal
The birds are singing for me and my gal
"Sing it with me, please!"
Everybody's been knowing to a wedding they're going
And for weeks they've been sewing, every Susie and
Sal

They're congregating for me and my gal
The parson's waiting for me and my gal
And when they build a little home to two
Or three or four or more

In Loveland, for me and my gal

Clang, clang, clang went the trolley
Ding, ding, ding went the bell
Zing, zing, zing went my heart strings
From the moment I saw him, I fell

Chug, chug, chug went the motor
Bump, bump, bump went the brake
Thump, thump, thump went my heart strings
When he smiled, you could feel the car shake

He tipped his hat, and took a seat
He said he hoped he hadn't stepped upon my feet
He asked my name, I held my breath

I couldn't speak because he scared me half to death

Buzz, buzz, buzz went the buzzer

Plop, plop, plop went the wheels

Stop, stop went my heart strings

As he started to leave, I took hold of his sleeve with my hand

And as if it was planned, he stayed on with me

And it was grand just to stand with his hand holding mine

To the end of the line
