Why did I come here tonight
With all these feelings inside
You're much too good for this life
And all the pain that you hide
I want to take you away
Wipe the tears from your eyes
But all that stands in the way is
That you don't realize

Why I

I am addicted, addicted to you
Like a bad pill, like a sick thrill
I can't get enough of you

I am afflicted, afflicted by you
Like a bad pill, like a sick thrill
I can't get enough of

You you
You you

I want you so bad tonight
That I can almost taste it
I want to take you away
Wipe the tears from your eyes
But all that stands in the way is
That you don't realize
Why I

I am addicted, addicted to you
Like a bad pill, like a sick thrill
I can't get enough of you

I am afflicted, afflicted by you
Like a bad pill, like a sick thrill

And when it all comes crashing down
Will you still love it
And if tomorrow never comes
Atleast I had it

I am addicted addicted to you
I'm addicted

I can't get enough of you
I can't get enough of you

I am addicted, addicted to you
Like a bad pill, like a sick thrill
I can't get enough of you

I am afflicted, afflicted by you
Like a bad pill, like a sick thrill
I can't get enough of

You you
You you
