You're broken down in disrepair,
in the dark of your despair.
You reach for the thing that drags you down
and it won't come down.
The pain that comes,
the pain that goes away
all that matters..

I believe, I believe in you and me.
I believe, I believe in you and me.

Well, that was then and this is now,
remember how we got so far.
We're looking back.
The pain that comes,
the pain that goes away
all that matters..

I believe, I believe in you and me.
I believe, I believe in you and me.

I believe, I believe..
I believe, I believe in you and me.
I believe, I believe in you and me.
I believe, I believe in you and me.
I-I believe, I believe, I believe.
