If it was up to me,  
I'd change everything.  
I never met you at all;  
Never answered your call,  
But you got back to me.

If it was up to me,  
I'd take back everything.  
That I said or I did,  
When I tried to forgive.

I hate the way you make me feel, make me feel.  
I hate the way you make me feel;  
There's nothing I can do.  
Let me check to see if I'm still breathing,  
'Cuz you're not feeling.  
I hate the way you make me feel.

If it was up to me,  
I'd rewrite history.  
So you'd leave and be gone,  
And I'd just carry on,  
But you got back to me.  
If it was up to me,  
I'd change everything.  
Well I would if I could,  
But I can't, so I won't.

I hate the way you make me feel, make me feel.  
I hate the way you make me feel;  
There's nothing I can do.  
Let me check to see if I'm still breathing,  
'Cuz you're not feeling.  
I hate the way you make me feel.

I never really thought it would end like this.  
I didn't really want it to end like this.  
I never really thought it would end like this.  
I never really wanted...

Let me check to see if I'm still breathing,  
'Cuz you're not feeling.

I hate the way you make me feel.

I hate the way you make me (x6)

I hate the way you make me feel.
