Don't pick up Hitchhiker Joe  
He'll slit your throat  
And cut off your big toe, I tell you  
He'll make you smile  
From ear to ear  
Gonna lock you in a trunk  
For ninety-nine years  
Don't do it now  
Bom, bom, bom, bom, bom  
Bom, bom, bom, bom  
Bom, bom, bom, bom  
Bom, bom, bom, bom, bom  
Bom, bom, bom, bom  
Bom, bom, bom, bom

I had a cousin who came from Vermont  
Next thing I know, that cousin was gone  
Truck driver saw him picking up Hitchhiker Joe  
Now his spleen's on the sidewalk helping flowers grow

He'll slit your throat  
And cut off your big toe, I tell you  
He'll make you smile

My best friend Eddie called from L.A.  
Said we'd have dinner later that day  
I've got a feeling, and it's more than a hunch  
My poor friend Eddie was that hitchhiker's lunch

Don't pick up Hitchhiker Joe  
He'll slit your throat

And cut off your big toe, I tell you  
He'll make you smile  
From ear to ear  
Gonna lock you in a trunk  
For ninety-nine years  
Don't do it now

Hitchhiker Joe ain't no vegetarian  
If you see him on the highway  
Steer clear of him  
He got a knife in his sock  
And a razor up his sleeve  
And a chainsaw in his pack  
And he's gonna make you bleed, yeah, yeah  
Bom, bom, bom, bom, bom  
Bom, bom, bom, bom  
Bom, bom, bom, bom  
Bom, bom, bom, bom, bom  
Bom, bom, bom, bom  
Bom, bom, bom, bom

She picked up that dude at the Spam factory  
That was the last time that I saw her smile  
My best advice is don't eat Spam for a while
