Sure as I was borne in Ireland, I was weaned on
whiskey, but raised on gin
Drinkin' so long since I was born, never been so high as
a kite in a storm
Hey ho, whataya know, when you're outta good
whiskey, you're out on the road
Way to Kilkenny where liquor is plenty and people are
friendly wherever you go
Hey, ho, whataya know, when your glass is empty,
you're bound to go
Back on the job just to earn a few bob for good liquor
and grub at the Kilkenny Pub

Well I left my home when I was twelve. I was on the
road like a bat out of hell
Looking for work in the county of Cork with a thick-
headed dummy named Paddy O'Rourke
Hey ho, whataya know, when you're outta good
whiskey, you're out on the road
Way to Kilkenny where liquor is plenty and people are
friendly wherever you go
Hey, ho, whataya know, when your glass is empty,
you're bound to go
Back on the job just to earn a few bob for good liquor
and grub at the Kilkenny Pub

Kickin' and splashin' and pissin' and cussin' and
guzzlin' and laughin' and blowin' yer load
Dancin' and singin' shilaylees are swingin' we're arm in
arm as we're staggerin' home
Diddlee-aye, diddlee-aye, diddlee-aye, ay
Diddlee-aye, diddlee-aye, diddlee-aye, ay

Kickin' and splashin' and pissin' and cussin' and
guzzlin' and laughin' and blowin' yer load
Dancin' and singin' shilaylees are swingin' we're arm in
arm as we're staggerin' home
Diddlee-aye, diddlee-aye, diddlee-aye, ay
Diddlee-aye, diddlee-aye, diddlee-aye, ay

Hey ho, whataya know, when you're outta good
whiskey, you're out on the road

Way to Kilkenny where liquor is plenty and people are
friendly wherever you go
Hey, ho, whataya know, when your glass is empty,
you're bound to go
Back on the job just to earn a few bob for good liquor
and grub at the Kilkenny Pub
