I like carpet and I like grass  
I don't know what I'd lay on last  
If I had my choice, I'd lay on you  
Mama  
Oh, mama

I like you, you are free  
When we're apart I'm just not me  
I'm like a chicken pot pie without the peas  
Mama  
Oh, mama

I like your car it is fast  
I love it in the back when you grab my ass  
I want to heat you up like a greasy bowl of chili  
My mama, my mama, my mama  
Yeah

You're so invigorating  
I lose my inspiration  
I sit here masturbating  
Oh mama, my mama, my mama, my mama  
Play it, honcho

I like art, it is fun  
In the museum we got to hang us one  
I want to hang you up on my wall like a crucifix  
Mama, my mama, my mama, my ma-ma-ma-ma-mama
