Pile on the hangover just give it to me at once  
Let it fall down like a curtain on my brain with a one,  
two punch  
I know I was an ass and I drank too much, my life's a  
damn disgrace  
Can't even stand to get up in the morning and look at  
my peaked face

The toilet bowl is my best friend, it got handles on the  
side  
Sees my face more than my rear end, that's a fact I  
cannot hide  
Circle-K burritos won't keep that liquor down  
I guess I'll save my money and buy another round

Pile on the hangover just give it to me at once  
Let it fall down like a curtain on my brain with a one,  
two punch  
I know I was an ass and I drank too much, my life's a  
damn disgrace  
Can't even stand to get up in the morning and look at  
my peaked face

I drank so much I thought I was God, it barely touched  
my teeth  
I pissed so much my sword was hardly ever in it's  
sheath  
I look at girls and they look at me and then they turn  
away  
I order up another shot and then you'll hear me say

Pile on the hangover just give it to me at once  
Let it fall down like a curtain on my brain with a one,  
two punch  
I know I was an ass and I drank too much, my life's a  
damn disgrace  
Can't even stand to get up in the morning and look at  
my peaked face

Betty Ford won't talk to me, she says my life's a waste  
In the morning I'd agree with her, but my mouth is full  
of paste

I turned to God, He laughed at me, said "Hell's to good  
for you"  
Since I've got a special place, guess I'll have another  
brew

Pile on the hangover just give it to me at once  
Let it fall down like a curtain on my brain with a one,  
two punch  
I know I was an ass and I drank too much, my life's a  
damn disgrace  
Can't even stand to get up in the morning and look at  
my peaked face  
Can't even stand to get up in the morning and look at  
my peaked face
